DISCOVERY AT THE REALM

Directly adjacent to the Bridges will be the residential villages known as Discovery at The Realm. Designed in a manner to create an authentic community and neighborhood setting, Discovery will be a place that has an option for everyone looking to live in a more social and communal setting. From the recent graduate at his first job, to the retiring empty nester, all will enjoy the connections to Castle Hills community amenities such as trails, parks and golf –while being closely connected to the amenities of the Bridges that will provide shopping, entertainment and office environments.
