LOCATION
Gainesville, FL

CLIENT
Plum Creek

MARKET
Master Planned Community

Designed with a healthy and active lifestyle in mind, GNV121 is the next great community of Gainesville. Nestled within thousands of acres of Plum Creek Inc. conservation land, miles of greenways and bike trails will connect homes to the town center and park system. An innovative stormwater system of lakes and canals will also allow for recreational aquatic activities. Conveniently located North of Gainesville and near large employment centers such as the University of Florida and SHANDS Healthcare, GNV121 will provide a variety of living options within this growing market.
